## **Section 1 – Introduction**

This directory provides a list of AvMed Medicare Circle HMO's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **P**rietary **C**are **P**hysician (PCP). Generally, you must get your health care services from your PCP. A PCP will coordinate care you receive from specialists and other care providers.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. See the next section of this directory for more information on Getting Care from Specialists, including information regarding obtaining a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

### **Getting Care from Specialists**

Your care is coordinated through your primary care physician. When your PCP thinks that you need specialized treatment or treatment outside the scope of his or her practice, he or she may give you a referral to see a specialist within our network. Referrals for most specialist care are required, so it is very important to get a referral from your PCP before you see a network specialist. However, you don't need to get a referral for certain services, which are listed below:

- Emergency services, whether you get these services from plan providers or out-of-network providers.
- Urgently needed care, whether you get these services from plan providers or out-of-network providers.
- Renal dialysis (kidney) services that you get when you are temporarily outside the plan's service area.
- All Medicare covered preventive services as long as you get them from a network provider. These services are listed in the benefits chart in Chapter 4 of your Evidence of Coverage (EOC).

If a specialist wants you to come back for follow-up visits, be sure to check the original referral to see if these were included. Referrals may be limited either by number of visits or by time limitation. Your PCP can assist you determine if a referral issued is either time-limited or has a specific number of visits permitted.

Each PCP may have certain network specialists they use for referrals. If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists. You can change your PCP at any time if you want to see a network specialist that your current PCP does not refer to. Please refer to your Evidence of Coverage for information about changing your PCP.

*AvMed Medicare is an HMO plan with a Medicare contract. Enrollment in AvMed Medicare depends on contract renewal.*

H1016\_PS033-082021\_C

For information on what specialties require a referral or prior authorization, please refer to Chapter 4 of your Evidence of Coverage (EOC).

### **Providers Not Listed in this Directory**

Information regarding locating specific providers is listed below:

- **Mental Health** - For mental health or substance abuse services, you, your doctor, or counselor should call Optum for information regarding authorization. Please call 1-866-284-6989 (TTY 711). The hours are 24 hours a day, 7 days a week. For additional information, go to [www.AvMed.org](http://www.AvMed.org) or contact AvMed's Member Engagement Center at the phone number listed at the end of this section.
- **Transplant Services** - AvMed's In-Network hospital facilities may not be contracted for Transplant Services or Transplant Bridge Services. Therefore, the hospital facility and transplant department may be out of network for transplantation services. Covered transplant services may only be performed at AvMed's Transplant Center of Excellence facilities located within the State of Florida. For a complete listing of facilities and assistance with referral or authorization for transplant services, contact AvMed's Member Engagement Center at the phone number listed at the end of this section.
- **Silver Sneakers®** – For fitness center locations and hours, please log onto Silver Sneakers' website at [www.silversneakers.com](http://www.silversneakers.com). For additional information, go to [www.AvMed.org](http://www.AvMed.org) or contact AvMed's Member Engagement Center at the phone number listed at the end of this section.
- **Dental Providers** – For additional information about your dental benefits through Delta Dental, please go to [www.AvMed.org](http://www.AvMed.org). You may also contact AvMed's Member Engagement Center at the phone number listed at the end of this section for assistance with selecting a dental provider.

### **Emergency Services**

If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do *not* need to get approval or a referral. Our plan includes worldwide coverage for emergency care and urgently needed care when necessary.

As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. The number to call to notify us is 1-800-782-8633 (TTY 711), 8 am-8 pm, 7 days a week, Oct. 1-March 31; April 1-Sept. 30 Monday-Friday, 8 am-8 pm and Saturday, 9 am-1pm.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by non-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

*AvMed Medicare is an HMO plan with a Medicare contract. Enrollment in AvMed Medicare depends on contract renewal.*

H1016\_PS033-082021\_C

If you receive a bill from a non-contracting provider for a service that you received while following plan rules and which you believe should be covered by the plan, do not pay the bill. Instead, submit the bill to our plan. We will process the bill, pay the provider the amount we owe and determine the share of the cost you need to pay. The exception to this is emergency or urgently needed care received outside of the United States and its territories. Please see your Evidence of Coverage for more detail regarding Emergency and Urgent Care received outside the United States.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers neither Medicare nor AvMed Medicare Circle will be responsible for the costs.

## **What is the service area for AvMed Medicare Circle?**

The Counties in our service area are listed below:

Miami-Dade and Broward Counties in Florida.

## **How do you find AvMed Medicare Circle providers that serve your area?**

You may use this directory to locate providers in your area. This directory lists Primary Care Physicians, Specialists, Hospitals, Skilled Nursing and other Facilities, and Pharmacies.

### **Network Pharmacies**

This directory provides a list of AvMed Medicare Circle's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and AvMed Medicare Circle HMO's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under AvMed Medicare Circle only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. For the most current list, please call our Member Engagement Center at 1-800-782-8633 (TTY 711), 8 am-8 pm, 7 days a week, Oct. 1-March 31; April 1-Sept. 30 Monday-Friday, 8 am-8 pm and Saturday, 9 am-1pm, or visit [www.AvMed.org](http://www.AvMed.org).

*AvMed Medicare is an HMO plan with a Medicare contract. Enrollment in AvMed Medicare depends on contract renewal.*

H1016\_PS033-082021\_C

You can go to any of the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a “*P*” to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please call our Member Engagement Center at 1-800-782-8633 (TTY 711) 8 am-8 pm, 7 days a week, Oct. 1-March 31; April 1-Sept. 30 Monday-Friday, 8 am-8 pm and Saturday, 9 am-1pm, or visit [www.AvMed.org](http://www.AvMed.org).
