**Individual and Family Plan**
**Engage LB650-IN21**
**IN-1476**

This Schedule of Benefits outlines your cost-sharing and limitations that apply to specific covered services under your Plan. It is intended only to highlight your benefits. Your Medical and Hospital Service Contract provides a detailed description of coverage and the limitations and exclusions to these benefits. Please review your Contract for a complete explanation of your benefits and the terms and conditions of coverage. In general, benefits and services are not covered out-of-network except for Urgent and Emergency Medical Services and Care, and must be received at participating providers. See your AvMed online directory. Note: you may receive bills from one or more providers per visit or service. This Schedule of Benefits replaces any Schedule of Benefits previously in use.
