Coverage for: Individual or Individual + Family | Plan Type: HMO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-477-8768 or visit www.avmed.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-800-477-8768 to request a copy.

| Important Questions   | Answers  | Why This Matters:   |  |  |  |
|---|--|---|--|--|--|
| What is the overall<br><u>deductible</u> ?                          | <b>\$800</b> individual <b>/ \$1,600</b> family  | Generally, you must pay all the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |  |  |  |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. <u>Preventive care</u> , office visits, tests, most <u>prescription drugs</u> , ambulance (by ground transportation), and <u>urgent care</u> , are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |  |  |  |
| Are there other <u>deductibles</u> for specific services?           | No. There are no other specific deductibles.   | You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services your plan covers.  |  |  |  |
| What is the <u>out-of-pocket</u><br>limit for this <u>plan</u> ?    | <b>\$800</b> individual <b>/ \$1,600</b> family<br>Pediatric Dental is limited to <b>\$350</b> per child or <b>\$700</b><br>for 2 or more children.  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |  |  |  |
| What is not included in the<br>out-of-pocket limit?                 | Premiums, prescription drug brand additional charges and manufacturer assistance, and services this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u><br><u>limit</u> .  |  |  |  |
| Will you pay less if you use<br>a <u>network provider</u> ?         | Yes. See <b>www.avmed.org or call 1-800-477-8768</b><br>for a list of <u>network providers</u> .   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network</u> <u>provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |  |  |  |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?          | Yes.   | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .  |  |  |  |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
