Coverage for: Self Only, Self Plus One, or Self and Family | Plan Type: **HMO**

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. Please read the FEHB Plan brochure RI 73-815 that contains the complete terms of this plan. All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure RI 73-815. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can get the FEHB Plan brochure RI 73-815 at <u>www.avmed.org</u>, and view the Glossary at <u>www.cciio.cms.gov</u>. You can call 1-800-882-8633 to request a copy of either document.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$1,650/Self Only \$3,300/Self Plus One \$3,300/Self and Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. <u>Copayments</u> and <u>coinsurance</u> amounts do not count toward your <u>deductible</u> , which generally starts over on January 1. When a covered service/supply is subject to a <u>deductible</u> , only the <u>Plan</u> allowance for the service/supply counts toward the <u>deductible</u> . If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. In-Network <u>preventive care</u> is covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$4,000/Self Only \$6,750/Self Plus One \$6,750/Self and Family	The <u>out-of-pocket limit</u> , or catastrophic maximum, is the most you could pay during the year for your share of the cost of covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the out-of-pocket limit?	Premiums, prescription drug brand additional charges and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.avmed.org or call 1-800-882-8633 for a list of network providers .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider in the plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
