

Prior Authorization Requirements

Medical Procedures

Updated: 01-15-2021

-
- Benefits are determined by the Member's plan. Items listed may have limited or no coverage.
 - Authorization is not a guarantee of payment. Payment is subject to member eligibility, benefit, and provider contract on the date of service.
 - Providers both in and out of network are responsible for verifying eligibility and obtaining authorization for non-emergent services provided to AvMed Members when a prior auth is needed.
 - Members must be eligible on the date of service and the service must be a covered benefit.
 - Authorizations processed by AvMed must be requested on an Authorization Request form and submitted via fax.
 - The services listed below require an authorization from AvMed or a contracted Vendor, (exceptions may apply)
-

How to Submit Authorization Requests
